

Solid Brass Path & Area Fixture

Pearl, our rugged semi-spherical domed pathlight, offers a wide shade for glare-free illumination.

Constructed of solid machined brass, this area light is ideal for lighting plant beds featuring low flowers and decorative ground cover. Pearl's frosted polycarbonate lens protects the socket and lamp from water, moisture and debris.

Pearl produces low-level, evenly dispersed, circular patterns, which could also be used to enhance decorative accents in tiered hardscapes or walkways.

Pearl's adjustable stem allows you to raise or lower the lamp socket allowing for the perfect amount of overall illumination.

Voltage: 12V
Construction: Solid Cast Brass
Weight: 3.45 lbs
Finish: Weathered Red Brass
Wire: 36" 18/2 UL Rated Lead Wire
Socket: Beryllium Copper, G4 BiPin Socket, pre-greased
