

SYMPHONY

In-Grade Hardscape Luminaires

Add harmony to your outdoor living space with Symphony Hardscape Luminaires.

Our innovative in-grade modular design brings more versatility and flexibility to hardscape lighting.

- 5 interchangeable tops (Mozart, Chopin & Brahms 1, 2 & 4).
- Each top is available in stainless steel and antique brass finish.
- Drop-in LED module with interchangeable optics.
- Durable brass body.
- Brass body includes a removable ABS pour sleeve to help with installation and anchoring of the luminaire body.
- Perfect for illuminating small accents, garden or path edges, and stone or brick walls.
- Excellent performance when used to illuminate vertical surfaces, such as pillars, borders, low walls, steps, sunken seating areas, or fences.
- Brahms series is perfect for marking any horizontal outdoor surface including driveways, patios, and the edges of paths.
- Symphony Luminaires can be installed in concrete, natural stone, pavers, brick, and wood.
