Add Harmony to Your Outdoor Living Space

Finished with polished stainless steel and constructed of an aluminum body, our high-quality outdoor and landscape lighting products offer solutions for step, deck, uplighting, downlighting, recessed and wall-mounted applications.

Symphony Hardscape Luminaries help you to:

- Extend your living space, increasing the time you spend outside while creating the perfect atmosphere for entertaining,
- Increase curb appeal, raising the value of your home by highlighting your home’s architectural features and unique characteristics,
- Enjoy ease of low maintenance with stainless steel finishes and ABS installation sleeves to protect your wire connections.

Illumicare’s Symphony Hardscape Luminaires offer stylish, durable, outdoor illumination to highlight your architecture and landscape.

Symphony Hardscape Luminaires

For small hardscape lighting projects that require only a few fixtures, use Illumicare’s discreet, single-tap 100W transformer, Purcell.

Ideal for short wire runs to light a few clustered fixtures, or hardscape luminaires, Purcell offers one 12V wire tap, a manual 4 to 8 hour timer with on and off switch, and a built-in photocell.

**Purcell**

**MOZART**
Directional, In-Grade, Stainless Steel
- Lumen: 107 Lumens
- Wattage: 2.5 Watts
- Lens: Flat, 75° Tempered Glass
- Dimensions: 2.5" x 2.5", Body: 3.25" x 1.6"
- Wire: 12' UL Listed 18/2 Lead Wire
- Weight: 1 lb
- Includes: Interchangeable Optics & ABS Pour Sleeve & Cap
- IP Rating: IP67

**HAYDN**
45°, Round, Recessed, Stainless Steel
- Lumen: 40 Lumens
- Wattage: 1.3 Watts
- Lens: Flat, 50° Tempered Glass
- Dimensions: 3.5" x 3.5", Body: 1.75" x 1.75"
- Wire: 12' UL Listed 18/2 Lead Wire
- Weight: 0.5 lb
- Includes: ABS Sleeve w/Anchor Bolts
- IP Rating: IP65

**VIVALDI**
45°, Square, Recessed, Stainless Steel
- Lumen: 40 Lumens
- Wattage: 1.3 Watts
- Lens: Flat, 50° Tempered Glass
- Dimensions: 3.5" x 3.5", Body: 1.75" x 1.75"
- Wire: 12' UL Listed 18/2 Lead Wire
- Weight: 0.5 lb
- Includes: ABS Sleeve w/Anchor Bolts
- IP Rating: IP65

**Brahms Series**

**BRAHMS 1**
- 70° Single Output, Marker, In-Grade, Stainless Steel
- Lumen: 6.4 Lumens
- Wattage: 2.4 Watts
- Lens: Flat, 75° Tempered Glass
- Dimensions: 2.5" x 2.5", Body: 3.25" x 1.6"
- Wire: 12' UL Listed 18/2 Lead Wire
- Weight: 1 lb
- Includes: ABS Pour Sleeve & Cap
- IP Rating: IP67

**BRAHMS 2**
- 70° Dual Output, Marker, In-Grade, Stainless Steel
- Lumen: 6.4 Lumens
- Wattage: 2.4 Watts
- Lens: Flat, 75° Tempered Glass
- Dimensions: 2.5" x 2.5", Body: 3.25" x 1.6"
- Wire: 12' UL Listed 18/2 Lead Wire
- Weight: 1 lb
- Includes: ABS Pour Sleeve & Cap
- IP Rating: IP67

**BRAHMS 4**
- 30° Quad Output, Marker, In-Grade, Stainless Steel
- Lumen: 6.4 Lumens
- Wattage: 2.4 Watts
- Lens: Flat, 75° Tempered Glass
- Dimensions: 2.5" x 2.5", Body: 3.25" x 1.6"
- Wire: 12' UL Listed 18/2 Lead Wire
- Weight: 1 lb
- Includes: ABS Pour Sleeve & Cap
- IP Rating: IP67

**Brahms 1**
- 70° Single Output, Marker, In-Grade, Stainless Steel
- Lumen: 6.4 Lumens
- Wattage: 2.4 Watts
- Lens: Flat, 75° Tempered Glass
- Dimensions: 2.5" x 2.5", Body: 3.25" x 1.6"
- Wire: 12' UL Listed 18/2 Lead Wire
- Weight: 1 lb
- Includes: ABS Pour Sleeve & Cap
- IP Rating: IP67

**Brahms 2**
- 70° Dual Output, Marker, In-Grade, Stainless Steel
- Lumen: 6.4 Lumens
- Wattage: 2.4 Watts
- Lens: Flat, 75° Tempered Glass
- Dimensions: 2.5" x 2.5", Body: 3.25" x 1.6"
- Wire: 12' UL Listed 18/2 Lead Wire
- Weight: 1 lb
