

Precision Engineered Step/Niche Luminaire

Helios, Illumicare's wall mount step light, is a compact, precision engineered luminaire designed for step and post lighting applications where you need the fixture to be elegant, yet unobtrusive. The contemporary design of the shield masks two thirds of the light output, which eliminates unsightly glare.

Illumicare's wall mount fixtures use miniature G4 bipin lamps to achieve a soft, ambient light, while still providing enough illumination for comfort and safe passage.

Helios is designed for mounting on the surface of masonry, stone or wood.

HELIOS

Construction:	316 Marine Grade Stainless Steel
Dimensions:	1.54" x 3.46"
Lamp:	LED G4 Bipin*
Wattage:	Maximum 10 Watts
Lens:	1/8" Tempered Frosted Glass

LED 19MM G4 BiPin	190 Lumens 1.8W 3000K
LED G4 BIPIN SIDE	125 Lumens 2W 3000K
LED G4 BiPin 2700K	190 Lumens 1.8W 2700K
LED G4 BIPIN SIDE 2700K	125 Lumens 2W 2700K

Luminaire Mounting

Helios is mounted vertically to surfaces using two set screws, which can be inserted and tightened through machined holes on the back plate of the luminaire.

The screws pictured around the lamp shield and lens hold the face of the fixture to the back mounting plate.
