

Landscape Lighting System Zone Control

Take Control of Your Outdoor Living Space

Whether you're designing a new outdoor space, or retrofitting an existing one, Merlin is a versatile, easy-to-install, zone control system that allows you to program up to four zones -on single or multiple transformers- independently.

With Merlin, you control each zone with separate receivers, which feature astronomical controls, GPS locators, and communication ranges of up to 500 feet (150 meters). And, the simple on/off wireless controller allows you to override scheduled events instantly without adjusting the entire program.

- Four Zones, Controlled Independently
- Communication Range of up to 500 Feet
- Astronomical Control in Each Receiver
- Easy-to-Program GPS Locators

Specifications

Construction:	Polycarbonate
Dimensions:	Programmer - 9.84" x 2.75" x 0.83" Receiver - 5.82" x 7.20" x 1.30" Controller - 3.46" x 1.89" x 0.83"
Weight:	Combined - 0.75 lbs
Comm Range:	500 Feet (150 meters)
Op Temp:	-40° to 140° F (-40° to 60° C)
Certification:	FCC / IC / ETL
Voltage:	12V
Output:	12V Max, Loaded 25A
Batteries:	Programmer - 3 AAA Alkaline Controller - 2 AAA Alkaline
	<i>*Batteries not included.</i>
