

We've Opened a New Warehouse!

You asked for it, and now it's finally here!

To serve you better, we've opened a new US warehouse. This will help us to **reduce shipping costs**, and get your product orders to your door more quickly.

- No more international paperwork!**
- No more customs clearance delays!**
- And no more duty on products!**

If you place your order before 12:00pm on any business day, your order will ship on the same day.*

All US orders placed on or after April 15th, will be shipped from our new warehouse.

By popular demand, and to serve you more efficiently, we've established lot packaging for our products.
